ADMISSIONS & DEADLINES

Prerequisite Requirements: Most students will have completed the majority of the prerequisite requirements in their associate degree program. If all prerequisites are not complete, a student may be admitted to begin the RN to BSN (Online) program immediately; however, successful completion of all prerequisite courses is required to obtain the BSN degree. Completion of prerequisites while enrolled in the RN to BSN (Online) program may prolong time to degree. Not all prerequisites are offered at UC at all times in an online format. The prerequisite courses can be completed at any regionally accredited institution and transferred to UC to fulfill the requirement. Prerequisite charts for this partnership can be found in this document below.

Admission Criteria:

- Completion of the courses on this worksheet does not guarantee admission to the UC program.
- Students who complete the AAS Nursing at Columbus State have partially satisfied the UC General Education requirement.
- The RN to BSN (Online) program is designed for individuals who have previously completed an associate degree or diploma in nursing. Complete admission requirements include:
 - A completed UC application for undergraduate admission
 - All official transcripts from previous colleges attended with a cumulative GPA of 2.5 or higher
 - Documented completion of an associates degree in nursing or diploma leading to an RN license
 - Application fee & Confirmation fee (once accepted)
- Students must be admitted to the UC College of Nursing during the duration of this agreement.
- **Minimum GPA:** 2.5 recommended; Official transcripts of previous college coursework with a minimum cumulative GPA of 2.5 recommended. Competitive applications with a GPA below 2.5 will be considered on a case-by-case basis.
