Training Highlights 2024

- All officers completed 25 online courses for a total of 30hrs of online training. 18 of these courses were required by the Ohio Peace Officers Training Academy and accounted for 25hrs of continuing professional training required by the state.
- In addition to the online training, all officers received 50hours of instructor led training. These topics consisted of defensive tactics, use of force, firearms, taser, CPR, and Civil Disturbance.
- Training for the department is influenced by several governing factors. These include but are not limited to: Exiger recommendations, IACLEA accreditation requirements, OPOTA requirements, and current events. These factors are the guideline for creating the upcoming year's training calendar.
