To the right is a dome, similar to the U.S. Capitol. In the foreground, there is a ballot box with a slot and a group of people in historical attire. The text is overlaid on this scene.

How To Get Your Students Ready for the Presidential Election

- Assist students with registering to vote
- Provide information to students on voting methods and voter ID
- Help students to access voter education materials and resources

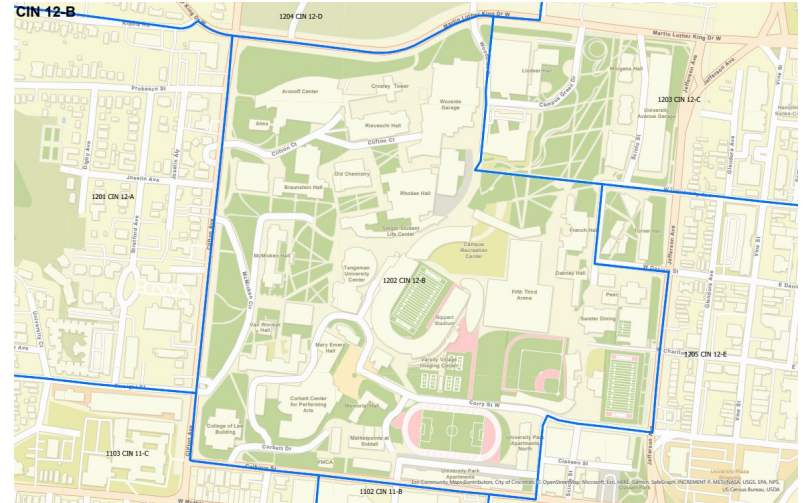

So-so

**Bad News
&
Good News**

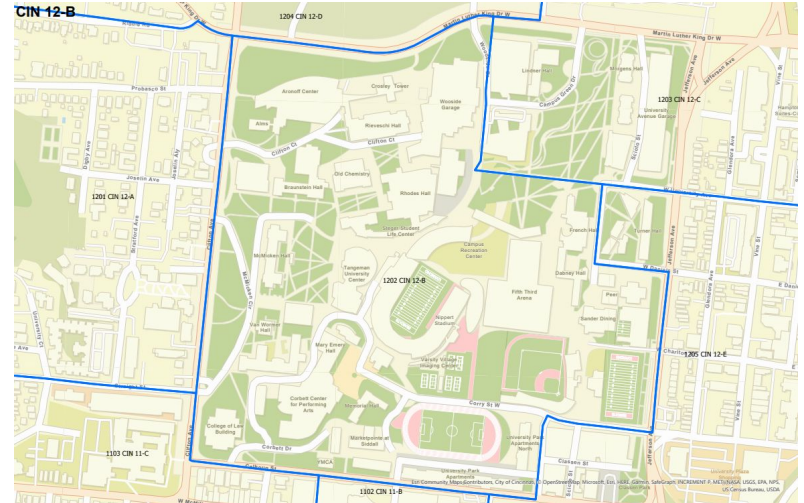

Bad news

- Since 2016, our on-campus voter registration and voting rates have plummeted
 - In 2016, 3121 individuals were registered to vote in precinct 12-B, and 1846 voted (59.1% voting rate)
 - In 2023, only 550 individuals were registered to vote in precinct 12-B, and only 25 of them voted (4.55% voting rate)
 - Precinct 12-B had the lowest voting rate out of all precincts in Hamilton County in 2023
- Between 2016 and 2020, the youth voter turnout in Ohio increased by 5%, from 44% in 2016 to 49% in 2020
- As a result, we would have expected a 5% increase in turnout between 2016 and 2020—but instead we saw a 41.1% decrease in turnout

Good news

- Our overall voter registration and voting rates are much higher
 - Data from TurboVote suggests that we had a 58% voter registration rate and a 53% voter turnout rate among eligible voters in 2022
 - The median voter registration rate for colleges in 2022 was ~69%, and the median turnout rate was ~55%
- The Hamilton County Board of Elections said that they will consider redrawing the precinct lines for 12-B to include our on-campus housing facilities located in 12-C and 12-E!

We need you!

- All of us have the responsibility to ensure that our students are registered to vote and educated on how to vote
- UC Votes alone cannot ensure that all 51,000 students are able to vote
- It takes a village!

1: Check Voter Registration Status

Check voter registration status

- Encourage students to visit uc.turbovote.org to look up their voter registration statuses
- There is a TurboVote widget embedded on the UC Votes website on uc.edu
- You can also download and print our TurboVote poster via the UC Votes website on uc.edu
- Many students will mistakenly assume that they were registered to vote in high school
- Students could have been purged from voter rolls if they skipped elections
