

SubmissionId	Organization Name	Status	Comment	Reviewed By	Reviewed On	Pursuant to University Rule 40-03-01 Registered student organizations may request the use of University logos for any of the registered student organization's activities, materials, publications, websites, or other social media by submitting this Logo Use Request form to the Center for Student Involvement. What is a University logo? University logos are symbols or other design such as a stylized text that is used by the University to identify the school, its athletic, academic, or social clubs, and/or its services, products, uniforms, or vehicles. Please note that submission of this Logo Use Request form does not grant registered student organizations permission to use the University's logo on products. Products are defined as manufactured goods (e.g., apparel, drinkware, stationary, writing utensils, etc.)	Please indicate which University of Cincinnati campus your organization is registered with.	Would your organization like to request use of University logos for the academic year?	Prior to being granted permission to use University logos, the registered student organization must affirm the following: The registered student organization will not use University logos to indicate the University's approval or disapproval, endorsement, or sponsorship of any political issue, social issue, or any other publications, activities, statements, purposes, actions, or positions supported by the registered student organization. The registered student organization will use the University logos in compliance with University authority, including branding guidelines, University Rule 10-17-01, and University Rule 40-03-01. If granted permission to use University logos, the registered student organization will include a disclaimer on any social media, website or printed or digital material if the website or material uses any University logos, the registered student organization must affirm the following: The registered student organization will not use University logos to indicate the University's approval or disapproval, endorsement, or sponsorship of any of the registered student organization's publications, activities, purposes, actions, or positions that are not sanctioned by the University, will be processed pursuant to the Student Code of Conduct, University Rule 40-05-05.	Registered student organizations who improperly use a University logo, including use without approval, use without a proper disclaimer, use not in compliance with University authority, and use to indicate the University's approval, endorsement, or sponsorship of any of the registered student organization's publications, activities, purposes, actions, or positions that are not sanctioned by the University, will be processed pursuant to the Student Code of Conduct, University Rule 40-05-05.	I have reviewed, understand, and affirm that the organization will uphold the following statements.
61517378	3D Design & Automation Club	Approved	The Center for Student Involvement has reviewed 3D Design & Automation Club's request to use the University logos for any of the registered student organization's activities, materials, publications, websites, or other social media.
